Planting Water Growing Soil Mar. 12

Soil is the most efficient water storage you can have on your property, and building good healthy soil benefits every level of a garden ecosystem. Learn to regenerate your landscape by 'planting water' and 'growing' healthy soil! Eric & Lauren Saline of Wild Made Design share techniques and strategies that can be used on any scale to modify land contour, plant sustainably, and harvest water. Sponsored by the County of San Diego. 10-11:30am / Water Conversation Garden, El Cajon
619-660-0614 / <https://www.thegarden.org>

Emperor Opening at SeaWorld San Diego Mar. 12

Emperor, the tallest, fastest, and longest dive coaster in all of California, will open on March 12 —just in time for Spring Break. Get ready to plunge 90 degrees and soar up to 60 miles per hour through exhilarating loops on this exciting Emperor penguin-inspired adventure, feeling your feet dangle above the track on the state's only floorless dive coaster!
SeaWorld San Diego <https://www.seaworld.com>
